

# **\*\* Intermediate Math I \*\***

Welcome to Miss Butterfield's Class!

I look forward to working with you this year! The following notes will help you know what is required of you and what you can expect from me. Let's make this a great year!

## **Required Materials:**

- Composition Notebook
- Pencils
- 3-Ring Core Binder with dividers and loose-leaf paper.

## **Homework**

- Homework will be assigned throughout this course. All homework is due the next class period after it is assigned. If it is not turned in that day, it will be considered late. All late homework will be due the day of the unit test. No late work will be accepted after this time.

## **Assessments/Quizzes**

- An assessment will be given at the end of each unit. Assessments will be based on material learned since the last assessment.
- Weekly quizzes will be given.

## **Late or Missed Work:**

- You are expected to complete all assigned work. You are responsible for making up any work that you have missed for any absence.
- Assignments will not be accepted after the related test is given. For example, work from Unit 1 must be turned in before the Unit 1 test is given.

## **Grading:**

Your grade is based on your understanding of the concepts. The grade breakdown is as follows:

A	100 - 95	C+	74.99-70
A-	94.99 - 90	C	69.99-65

### **Professionalism/Participation**

- Participation includes being alert and actively involved in discussions, activities, and note-taking. Daily notes will be taken and kept in your notebook. If you are absent it is your responsibility to obtain the notes you missed.
- If you fail to participate, your citizenship grade may go down.
