WELCOME I hope you are looking forward to being in this class. I am excited to work with you. You have the opportunity to make this a great year! Here are some keys to your success in this class:

- Come to class every day (on time and ready to learn).
- Keep trying; you will learn math through practice.

Materials You Will Need!!

CORE BINDER:

You will need a CORE BINDER for 7th grade. A 2inch binder should be sufficient. This binder comes to school every day and is where you will organize the supplies needed for every class. You will also use this binder to track your learning. The purpose is to assist you in being successful in 7th grade, please follow the instructions from your teacher on how to organize their classes section of the Core Binder.

Math supplies for the Core Binder:

Lined paper

3 dividers (Notes, Definitions, Homework)

Pencil(s)

Assignments

Assignments are a necessary part of understanding mathematics. It is an opportunity for you to practice the skills learned in the classroom. You will be given class time assignments and assignments to be done at home.

Absent Work

All work that is turned in late due to an absence will need a required "pink slip". You have 1 week from the date of your absence to receive full credit after 1 week your assignment is late.

Late Work

To turn in late work, you must fill out a "pink slip". If this slip isn't on your assignment, you won't receive credit. All late work is due the class period prior to the Unit test.

Assessments

Assessments are used to evaluate your progress on the math concepts, this is how you show what you know. You will have an opportunity to show what you know often.

Unit Tests

Unit tests are given at the end of each unit. There are 2-3 unit tests a term. These assessments are another opportunity to show what you know at the end of a unit time.

Extra Credit

No extra credit is offered in this class.
