

**** Math Skills Disclosure Document ****

Welcome to Miss Butterfield's Class!

I look forward to working with you this year! The following notes will help you know what is required of you and what you can expect from me. Let's make this a great year!

Required Materials:

- Composition Notebook (If you have my regular math class, you can use the same one)
- Pencils
- 3-Ring Core Binder with dividers and loose-leaf paper.

Course Description

Intermediate 1 Lab will review the math concepts that we have been working on in the Intermediate 1 class. All Intermediate 1 teachers are on the same schedule, so regardless of who their teacher is, this lab will help with that class. This class will also pre-teach concepts coming up so the students can feel more successful.

Grading Policy

Your grade will be based on how well you participate in my class. The grade for this class will be on a pass/fail basis. A percent of 70 or higher is required to pass the class. Any percent lower than 70% will result in a failing grade. The teacher reserves the right to override any grade. To pass this class, the following must happen: 1) you are prepared with your assignment and a writing utensil, 2) you actively participate in all classroom activities, 3) you show improvement with your math skills, and 4) you have PGJR Viking behavior in the classroom.

Homework

Homework will not be given in this class. However, we will be working on the homework assigned to you from your regular math class.

Cell phones and ipods are only allowed in my classroom upon my consent. Please see the school policy in the student handbook for cell phones and ipods.

Teacher Contact Information:

Email: hannahbutterfield@alpinedistrict.org

Availability: Before School (Tuesday-Friday 7:30-8:00)

After School (Tuesday-Friday 2:45-3:30)

Your child's enrollment in my class is an indication that the student and parent/guardian agree to all the terms stated in this document.
